

# Special Guided Hikes

**Ask us about the special hikes and add more adventure to your stay in Boquete!!!**

There are a few hikes that give you the chance to explore beautiful landscapes around Boquete. If you are interested in enjoying less common trails you should definitely choose one of these! During one of these hikes you will be accompanied by a local guide who will share with you all his knowledge about the wilderness while at the same time giving you a feeling of security because of his experience on these advanced or less marked trails.
