

Zip Lining

Get your adrenaline pumping as you fly through the cloud forest near Boquete on a series of multiple zip lining cables!

Zip lining allows you to experience the cloud forests of this area in a new and exciting way. High above Boquete, in a beautiful cloud forest, you will soar like a bird through the trees (while being attached to the cables and your harness)! The combination of the beautiful scenery surrounded by mountains, thrilling ride and attention to safety make this an experience you will remember for years. If you've never tried zip lining, Boquete is a great place to do it!

Don't forget to bring:

- Water
- Rain jacket
- Long pants
- Closed shoes for walking
